### Event at the Argentinean Embassy in Beijing

Our partner Francisco Zappa visited firms and clients in Hong Kong, Beijing and Shanghai. During the visit, Francisco gave a presentation at the Argentine Embassy in China on the RIGI regime and its impact on attracting strategic investments.

Titled “Argentina’s RIGI Framework: Legal Certainty and Strategic Opportunities for Investment,” the event provided a specialized overview of the legal framework and operational structures applicable to oil & gas and mining projects, both within and beyond the scope of RIGI. Global leading companies and representatives from multilateral organizations attended the event.
